### NOTICE OF ALLOWANCE

## Terminal Disclaimer

1. The terminal disclaimer filed on August 16, 2004 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of prior Patent No. 6,626,069 has been reviewed and is accepted. The terminal disclaimer has been recorded.

# Allowable Subject Matter

- .2. Claims 1-16 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: Pursuant to the terminal disclaimer, it is the examiner's opinion that the art of record considered as a whole, alone or in combination, neither anticipates nor renders obvious the leverage adapter having an elongate adapter bar; means secured to the first end of the adapter bar for attaching the adapter bar to the second end of the hand tool, the attaching means comprising a cross member extending longitudinally from the first end of the adapter bar towards the second end of the adapter bar; and means formed with the second end of the adapter bar for receiving a leverage bar together in combination with the rest of the limitations in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
